How long does it take to spend in RAID Shadow Legends?

Players can rise up into the more expensive pack category pretty quickly, but it usually takes around a month of not spending at all, or spending very little, to get reset down to the lower tier again. There are many different kinds of ways to spend in RAID Shadow Legends. Subscriptions, Limited Time Offers, Permanent Offers, and Progression Packs.

Is the RAID card worth it?

The RAID card is good value for medium to high spenders who are early in their account journey but its value drops off in the end-game. This is because new players tend to spend way more energy in the campaign than end-game players. There is another permanent pack on a monthly rotation, and that is the Daily Gem Pack.

What are the different ways to spend in RAID Shadow Legends?

There are many different kinds of ways to spend in RAID Shadow Legends. Subscriptions, Limited Time Offers, Permanent Offers, and Progression Packs. The main subscriptions that will be available all of the time are the RAID Card, and Daily Gem Pack, and Sacred Daily Pack.
