

How to choose the best brand of battery

Which battery brand should I buy?

Well, we recommend four battery brands: Bosch and Varta are two of the top brands in the world, with extremely well-made batteries, with the highest quality materials. Exide are very solid and reliable batteries, with quality manufacturing. And Lion batteries are the best of the low-cost brands, offering good reliability for the money.

Which car battery should I buy?

If you are looking for a cheap car battery that you can rely on, the Autolite 063 is the best option. It's lightweight and packs more than enough power for starting small saloons or hatchbacks each and every time. Although car batteries can last many years, they'll eventually require replacement when they become faulty.

What is the best car battery in the UK?

The Bosch S4 continues to dominate in the UK and it's one of the best car batteries on the market that's backed by a reputable brand. Although more expensive than some of the alternatives, it's worth the extra and it even comes with a 4-year guarantee for complete peace of mind. 2. Best Value: Varta Blue Dynamic C22 Car Battery

What is a car battery Buyer's Guide?

Our car battery buyer's guide will show you how to pick the correct replacement battery for your car, saving you both time and money. The main purpose of a battery is to provide the power to start the car and to power its features, such as the door locks and media system, when the ignition is off or in the accessory position.

What are the best battery brands UK?

Exide are very solid and reliable batteries, with quality manufacturing. And Lion batteries are the best of the low-cost brands, offering good reliability for the money. Here's our analysis of the best battery brands UK.

What is the cheapest car battery to replace a faulty battery?

The cheapest solution to replacing a faulty battery is the Autolite 063 model. It's a budget car battery that's rated at 45 Ah capacity and is more than ideal for most small cars on UK roads. If you are looking for a cheap car battery that you can rely on, the Autolite 063 is the best option.
