

One year warranty battery

Does a battery have a 3 year warranty?

If it contains the wording 3 Years Limited Hardware Warranty, then the battery has a 3-year limited hardware warranty. Some battery descriptions may show the abbreviation LL for Long Cycle Life; this also confirms that the battery has a 3-year cover. Longer Example: 9 cell battery with 97 Wh. Same (for Latitude xx20 onwards)

Can I get a replacement battery under warranty?

A system that does not have Extended Battery Service, 3YRW Long-life Battery line item in the order list or similar entitlement that covers the battery beyond one year will not receive a replacement battery under warranty if the battery is older than one year. Customers can now purchase an optional Three (3) year warranty support battery.

Does Apple offer a battery service if it is out of warranty?

If it is out of warranty, Apple offers a battery service. Prices and terms may vary. Your battery is designed to retain up to 80% of its original capacity at 1,000 complete charge cycles. The one-year warranty includes replacement coverage for a defective battery.

How long is a battery warranty on a computer?

Note: A 1-year battery can be sold with computer warranties of 1 through 5 years. The battery warranty length is limited as it is a consumable item. A 3-year battery can only be sold on computers with a minimum 3 year (or longer) warranty. In either case, the battery warranty can expire before the end of the computer warranty.

Is a car battery warranty transferable?

Your car battery guarantee isn't transferable between vehicles. Batteries used in a commercial or professional application, such as taxis, driving instructors, emergency services, works vehicles, etc., are not covered by the full term of the warranty but instead come with a 6 month warranty. How does the guarantee work?

Does a 3 year battery expire?

A 3-year battery can only be sold on computers with a minimum 3 year (or longer) warranty. In either case, the battery warranty can expire before the end of the computer warranty. The battery has a sticker, usually with a barcode that can be used to determine the age of the battery.
