

Tender for new solar street lights

Where can I find solar tenders from the UK?

You can find solar tenders from the UK on [Globaltenders.com](https://www.globaltenders.com). This platform offers an unmatched database of solar tenders, with new procurement opportunities uploaded daily from thousands of sources including all official UK websites, UK municipal websites, and UK newspapers and journals.

Why should you bid for solar tenders in UK?

Bidding for Solar tenders in the UK is extremely beneficial for companies of all sizes. The UK tendering authorities release contracts for most of the Solar products and services they procure. It is beneficial to participate in these tenders.

Where can a company bid for solar in the UK?

Companies can bid for Solar tenders in the UK from thousands of sources including all official websites, UK municipal websites, UK newspapers and journals.

What is the street lighting led programme?

Phases 3, 4 & 5 of the Street Lighting LED programme is aimed predominantly at traffic routes across the City. The contract will include the replacement of approximately 3000 life expired concrete lighting columns along with around 19,000 LED lantern conversions.

What are the benefits of the street lighting led programme?

Phases 1 & 2 of the Street Lighting LED programme have demonstrated the energy savings that can be achieved. The continuation of the programme will help reduce further the costs associated with the street lighting asset but will also help the Council reduce its CO2 emissions and annual electricity consumption.
