

# Where to get battery packs on the farm

How do I get a battery pack in Stardew Valley?

As of Stardew Valley's 1.5 update, there are two main ways you can obtain a Battery Pack, though the first way is the most accessible in the early game. The Lightning Rod crafting recipe is obtained at level 6 Foraging. To make it, you need:

How do I get a battery pack?

Befriend Pam. She occasionally sends you battery packs (despite asking you once for one lol). You can gift her beer but gifting salmonberries is much cheaper and convenient. Besides the lightning rods I believe the only other early-mid game way to get them is from bats in the skull cavern.

How do you get a battery pack from a lightning rod?

To acquire a Battery Pack from a Lightning Rod, during a thunderstorm a particular sound will be heard, which means that one of the rods is now charged, pulsating with energy. There is no guarantee that a specific lightning rod will be struck by lightning during a thunderstorm. On the day after the storm, a Battery Pack can be acquired from it.

How does a battery pack work?

The Battery Pack is created in the Lightning Rod during thunderstorms or the Solar Panel after 7 sunny days. To acquire a Battery Pack from a Lightning Rod, during a thunderstorm a particular sound will be heard, which means that one of the rods is now charged, pulsating with energy.

Do dairy farms need battery storage?

For conventional dairy farms, currently an element of battery storage is required as there is a lag in demand during the day and the surplus electricity has to either be used to heat water or go to battery storage. Beware of some batteries that come with a five-year limited cycle warranty.

What is a battery pack?

Battery Pack is used in the Engineer's Bundle in the Boiler Room (Remixed). Battery Pack is used in the spool of the Sewing Machine with Cloth in the feed to create a Shirt. It is a cyan dye when used in the spool of the Sewing Machine with a dyeable clothing item in the feed.
